MODE D'EMPLOI

1. Imprimer à 100 % (taille réelle).
2. Poser à plat, grand côté face à l'appareil (flèches vers lui).
3. Appareil à ~1 m de haut, 2,5–3 m, en portrait, zoom 1×.
4. Face : talons sur les repères D / G, arrière du talon sur la bande noire.
Si les orteils dépassent un peu de la feuille, ce n'est pas grave.
5. Profil : quart de tour à droite, pieds sur les pointillés.
